

# High Risk Maternity

## (A Continuing Education Course)

Date: 08/18-20/2009

Time: 08:30-3:30 pm

Location: University of Balamand, Faculty of Health Sciences—Small Batlouni, facing Saint George Hospital, Ashrafieh

The purpose of this course is to provide a review of the current management strategies in maternity and newborn care. It will focus on current trends in care of high risk pregnant women and neonates.

The target audience is registered nurses, midwives and other healthcare providers.

The course will be offered by the renowned Professor Dr. Suzie Ludington from Case Western Reserve University in Ohio and other prominent lecturers in the field of Maternal and Neonatal Health at University Hospitals in Beirut.

**Registration fees: 150 US Dollars.**

**Deadline for registration: August 14, 08, 2009.**

Early registration is encouraged as places are limited.
