

Dear Colleague and Friend,

I have the pleasure to announce the 8th Middle East Oncology Congress (COMO8), organized by the Lebanese Cancer Society, which will be held from 5-7 November 2009 in Beit Al Tabib- LOP- Beirut.

This is a multidisciplinary scientific event which covers all aspects of cancer-prevention-early detection-diagnosis-treatment and supportive care. Announcement attached COMO8 -1- & COMO8 -2-.

I want to drop to your attention that the Najib Taleb Award will be offered for the best original scientific study about cancer presented by a young Middle Eastern Researcher. - 1st price: 1000\$ - 2nd & 3rd prices: 500\$- For more information visit the site www.como8.com.

I will be thankful if you forward this message to those of your fellows and young physicians who are interested and encourage them to participate in this scientific event.

I will be looking forward to welcoming you during this event and thank you in advance for your participation and collaboration to the success of the COMO8.

If you need any other information, do not hesitate to call me back.

Best personal regards

COMO 8
